President's Message

Early-Bird Special!

Dear Colleagues,

On behalf of the entire SMDS executive board, I would like to wish you and your families a happy and blessed holiday season, and best wishes for the New Year!

With the great help and dedication of Dr. Andrew Horng, SMDS has been able to offer a rich curriculum of hands-on continuing education courses to our members and non-members alike. Earlier this year, SMDS offered courses covering wide range of topics from laser dentistry, to esthetic dental treatments, and Botox application. Many of our programs get sold out way in advance of the course date.

Our members always get a discounted registration rates over non-members (which is one of the many ways your membership pays for itself.) However, up till now, members did not have early access to register for these courses. Courses were advertised and posted on our website allowing members and non-members to register. Courses maybe sold-out before you get a chance to review SMDS mailers.

With our new SMS-text messaging service – starting in 2019-, we can change that for the better! When a new CE course is organized, the society will send you an exclusive members-only text message invitation to register. This “early bird special” will give our interested members one week to register for the course before it is posted on our website and advertised to non-members.

To ensure that you receive SMS Text messages, please take a moment to update your cell number with SMDS at the following link: <http://www.smdsdentists.org/archives/675>.

If you would like to see what SMDS is currently offering in hands-on CE, please visit our website www.SMDSdentists.org, then click the “Hands-On Continuing education” tab. To find out what SMDS will have in the near future, keep an eye for the next “early bird” text message.

Truly,

Yaser Roumani

The ORACLE is published eight times a year by the Southern Maryland Dental Society, 4920 Niagara Road, Suite 306, College Park MD and sent to all members of the Society.

The SMDS will publish signed articles relating to all phases of dentistry (space permitting), but assumes no responsibility for opinions expressed by the contributors.

Acceptance of advertising in no way constitutes professional approval or endorsement.

Deadlines for all materials is the 1st of the month preceding the issue. Publishing dates are September, October, November, December, January, February, March, May/June.

Editors Letter

Dear friends,

The Maryland Health Care Commission (MHCC) has extended the deadline to complete the [Dental Health IT](#) survey through December 31st. This

online survey should take no more than five minutes to complete and your responses are kept confidential by MHCC. The information gathered through the survey will help us to assess the needs and interests of dental practices regarding health information technology like electronic health records and health information exchange. Your contribution is greatly appreciated.

If you have exciting news you want to share in the Oracle, please send us an email.

Don't forget to RSVP for our next General Membership Meeting by January 28th, 2019. I look forward to seeing you all at our next meeting in February!

On behalf of SMDS, we wish you and your family a Happy Holiday!

Cheers,

Halima Karim, DDS

General Membership Meetings 2019

February 4, 2019 – Dr. Alicia Houston

March 4, 2019 – Cheryl Shafer, RDH

All will be at the Sheraton Hotel Silver Spring
8777 Georgia Avenue, Silver Spring, Maryland 20910

Meetings start promptly at 6:00pm

Dinner Buffet is free to SMDS members

2 hours of Free CE

REMINDER

General Membership Meetings are **FREE** to SMDS members who register in advance.

Failure to register at least one week in advance will result in a \$25.00 late charge.

To register **Please call** 301.345.4196 or
Email valerie@smdsdentists.org

Message from Dr. Kathy O'Loughlin

Thanks to your commitment this year, **half of all state dental societies have more members today than at the end of 2017**, and several additional states are poised to exceed 2017 membership totals by year end. This indicates that we're demonstrating value to members. Let's keep the momentum going into 2019. As you consider your overall membership retention strategy, I encourage you to explore the new [Guide to Recruiting and Retaining More Connected Tripartite Members](#). It includes key messages, ideas, and customizable retention communications templates. And don't forget to check out the tools and resources in the [Choose ADA Toolkit](#).

Having a connected, engaged membership is important for the future of organized dentistry and I couldn't be prouder of the work we're doing together.

I'm looking forward to an exciting 2019!

Sincerely,

Kathy

THE SOUTHERN MARYLAND DENTAL SOCIETY PRESENTS

**1 Day
Hands-on Course
8 hours CE**

When:

Saturday

February 9, 2019

8:00 AM - 4:00 PM

Meet the Instructor:

**Sheila
Samaddar,
DDS**

Dr. Samaddar comes from a long line of medical professionals. She is a third-generation doctor. As a result, she found her passion for dentistry early in life, helping

out in her mother's dental office as early as the age of seven.

After graduation from Howard University's College of Dentistry, she completed an Oral and Maxillofacial Internship at DC General Hospital and an Implant Residency at the Howard University College of Dentistry before going into private practice. She opened the South Capital Smile Center in 2008 and has proudly been serving her DC community ever since.

Dr. Samaddar is an active member of the ADA, DC AGD, President (2017 – present) • AGD Region 5 (DC, MD, VA, DE) Secretary (2017-present), Greater Washington Women Area Dentist, Renaissance Study Club, and the DC Dental Society. Dr. Samaddar has been chosen to be a national spokesperson for the Academy of General Dentistry.

As Washington, DC's #1 Solo Practitioner for Invisalign, and the highest ranked Invisalign Provider in SE and SW DC, she has also been awarded North American Recognition for case results, as well as being named a Gold Plus Provider. She is also one of the select few Invisalign providers in DC that has been asked to be part of the Bethesda Invisalign Store Preferred Providers team.

A long-time resident of Capital Hill, Dr. Samaddar is married with two kids and two rescue dogs. When she's not at the practice, she enjoys family time, dance, water sports, traveling and musicals.

R2C™ – The Root to Crown Solution

The endodontic CE solution from diagnosis through restoration

Each step of endodontically treating and restoring a tooth is connected. This course walks through each step of root canal therapy – with each building on the success of the previous phase. From diagnostic protocol through coronal restoration, learn techniques for clinical success at every step needed to take the patient out of pain, restore function to the tooth while maintaining the proper aesthetic, and enhance long term success.

Learning Modules:

- Diagnosis and Treatment Planning
A complete understanding of the factors of each case
- Endodontic Access
Creating a proper access cavity is critical
- Antibacterial Dressings
Inter-appointment medicaments and temporizing teeth
- Shaping Utilizing the Most Advanced File Technology
Choices for imparting an appropriate shape to the canal
- Irrigation
Importance of removal of infection-causing bacteria
- Obturation
Pros and cons of sealers and obturation techniques
- Coronal Restoration of the Endodontically Treated Tooth
Choosing between direct vs. indirect restoration

February 16, 2019

8:00 A.M. – 5:00 P.M.

Registration and continental breakfast begin at 7:30 A.M.
Lunch will be provided.

Cost: \$350 members/ \$395 non-members/ \$190 Staff

CE Credits: 8 Participation

Please bring 2-3 accessed teeth for a hands-on experience.

Featured Speaker:

Dr. Stephen Niemczyk

Dr. Niemczyk has been the director of endodontic micro surgery at Harvard University in Boston, MA., and Albert Einstein Medical Center in Philadelphia, PA., since 1995. He has lectured extensively nationally

and internationally and authored numerous papers and a chapter on microsurgery in Dental Clinics of North America. Dr. Niemczyk is also the founder of Endodontic Microsurgical Innovations.

He earned his D.M.D. degree and post graduate endodontic certificate from the University of Pennsylvania, School of Dental Medicine. He was appointed to the school's faculty as a clinical assistant professor in the Department of Endodontics in 1984, and established a private practice limited to endodontics in Drexel Hill, PA.

Advances in Digital Dentistry: CEREC Integration into the Practice

When:

Saturday

March 30, 2019

8:00 AM - 4:00 PM

College Park, MD (near Washington, DC)

4920 Niagara Road Suite 306, College Park, MD 20740

Meet the Instructor:

Flavio
Rasetto DDS,
MS, FACP

Dr Flavio Rasetto graduated from the National University of Rosario Dental School, Rosario, Argentina in 1990.

He practiced general dentistry for 4 years in Rosario, Argentina, prior to moving to the United States in 1996.

Dr Rasetto completed a Postgraduate Prosthodontic program, combined with a Master of Science in Oral Biology, at the University of Maryland, Dental School, from 1996 to 1999.

At the present time, he is a part time Clinical Assistant Professor in the Department Advanced Oral Sciences and Therapeutics, at University of Maryland, School of Dentistry. He was the Assistant Director of the Postgraduate Prosthodontic Residency Program from 2000 until 2007.

Dr. Rasetto currently is in full time in private practice in Chevy Chase, MD, at Chevy Chase Cosmetic & Implant Dentistry. Dr. Rasetto is a Diplomate of the American College of Prosthodontists and he is a past President of the American College of Prosthodontists, Maryland Section. He belongs to numerous organizations such as: American College of Prosthodontists, American Academy of Fixed Prosthodontics, Academy of Osseointegration, ADA, MSDA, and SMDS. He has lectured national and internationally on a variety of topics related to the specialty of prosthodontics.

Course Objectives:

1. Learn about the CEREC system (Omniscam AC Unit and MC XL Milling Unit - software version 4.6)
2. Understand the principles of tooth preparation and design and the digital scanning protocol.
3. Describe the type of restorations, the design options, and select the appropriate materials for chairside, same day ceramic restorations.
4. Become familiar with the management of laboratory steps including necessary equipment and materials.
5. Demonstrate clinical scenarios that show how the system can be incorporated on a daily basis.
6. Learn how the system can influence treatment outcome and patient satisfaction.

Hands on portion of course:

1. Learn the scanning protocol.
2. Design the restoration.
3. Recontour the restoration.
4. Finish and polish the restoration.
5. Stain and glaze the restoration.

Introduction

Enhance your understanding of the issues of pediatric laser dentistry (including tongue-ties and lip-ties) and start the process of becoming a board certified laser surgeon!

As many as 5 percent of all babies born in the US have tongue-ties significant enough to cause breastfeeding difficulties. Affected babies often fail to thrive and can be erroneously labeled as "lazy nursers" or "stubborn feeders".

Clinical Curriculum

- Demonstrate a wide range of didactic and clinical tools for the use of lasers in pediatric dentistry
- Present basic knowledge and education about Dental Lasers adhering to the established standards of education
- Instruct Dentists, Lactation Consultants, Speech and Language Therapists, and other allied health care providers to understand the efficient and safe application of laser energy in everyday practice
- Provide sound scientific basis and proven efficacy of use of lasers in Dentistry in order to ensure public safety
- Explore current methods of clinical assessment, diagnosis and treatment of lingual and labial ties. Attendees will be able to:
 - Understand infant sucking physiology and how tongue ties impair infant suck;
 - Use reliable diagnostic criteria to screen babies for this condition; and
 - Understand all consequences and benefits of using lasers to remove oral restrictions
- Through participation in a hands-on workshop, the course attendees will learn to remove oral restrictions using soft-tissue lasers.

Laser Curriculum

Laser Surgery and Safety Basic Knowledge Certification Curriculum for this Course has been developed by the American Laser Study Club (ALSC) in partnership with the American Board of Laser Surgery (ABLS). The ALSC's curriculum overcomes the known limitations of many laser dentistry courses, and includes the detailed physics of soft tissue ablation and coagulation with laser and hot tip (non-laser) devices. ALSC will provide lecture notes handouts, ALSC online laser-tissue interaction knowledge exam, an option for online laser safety training and examination through the Laser Institute of America, and path to Diplomate level certification with American Board of Laser Surgery. Laser hands-on wetlab on tissue samples will include different laser wavelengths and will include laser safety instructions and demonstrations. Laser instructions will be assisted by guest speaker Peter Vitruk, PhD, MInstP, CPhys, DABLS, a laser physicist who founded the American Laser Study Club and LightScalpel LLC. Dr. Vitruk has authored 10 patents and over 20 articles on CO₂ lasers, and is a Member of The Institute of Physics, UK and a Diplomate of and Special Advisor on Laser Physics and Safety Education at the American Board of Laser Surgery.

Agenda

Day One

0.5 hour Clinical introduction
3.5 hours Laser didactic material
LUNCH
1 hour Laser safety and demonstration on tissue samples
3 hours Clinical didactic material

Day Two

4 hours Clinical didactic material
LUNCH
1 hour Hands on laser laboratory experience
2 hours Detailed clinical discussions

About the ALSC

American Laser Study Club (ALSC - www.AmericanLaserStudyClub.com) was founded by Peter Vitruk, PhD, MInstP, CPhys, DABLS to promote science-based laser dentistry, surgery and safety education. The ALSC is proud of its curriculum and its distinguished membership, including our honorary members **Gordon J. Christensen**, DDS, MSD, PhD and **Rella P. Christensen**, RDH, PhD, world renowned leaders in dental product research and education, who welcomed ALSC's mission: "Peter, we congratulate you on starting a laser study club. It is greatly needed, and you are the man to do it." Other Honorary Members of the ALSC are **Charles M. Cobb**, DDS, MS, PhD, Professor Emeritus, Department of Periodontics, School of Dentistry, University of Missouri-Kansas City; and **C. Kumar N. Patel**, PhD, MS, the Inventor of the CO₂ Laser; Recipient of National Medal of Science (1996); Member of US National Inventors Hall of Fame 2012; Professor Emeritus, UCLA. The ALSC is proud to have helped many dentists and surgeons to successfully become the Diplomates of the American Board of Laser Surgery.

SCHEDULE OF CLASSES

The **SOUTHERN MARYLAND DENTAL SOCIETY** is announcing its new class schedule. The following courses will be offered for the Dental Team. If the dates listed are not convenient, please call our office for the next available time. Classes canceled due to inclement weather, etc. will be rescheduled as our calendar permits. Students are required to purchase the appropriate non-returnable books & handouts package for each course. **Fluency in English is required.**

Dental Assisting Radiology & Basic Anatomy. Fees: SMDS Member \$510. or Non-Member \$575.

This course prepares the dental assistant who is employed in a dental office to sit for the DANB Exam in Radiation Health & Safety Certification. All clinical practice takes place at the student's place of employment (including bringing in some x-rays). Course requirements: 18 years of age, H. S. grad. or equivalency, and the signature of employing dentist on the application verifying employment & commitment of clinical supervision. See MD State Board Pathways on reverse side. A total of 33 hours of class time. Here are the dates for the next two courses. ALSO: Refresher Hours Available.

1. Jan.28,30, Feb.6,11,13,18,20,25,27, Mar.6,11, 2019 TIME: 6:00-9:00 p.m., Mon. & Wed. @ College Park Facility

Expanded Functions in General. Fees: SMDS Member \$735. or Non-Member Fee. \$795.

Successful completion of this course enables the student to sit for the Maryland Qualified Dental Assistants Examination and to perform general expanded duties as specified by the Maryland State Board of Dental Examiners. All clinical practice takes place at the student's place of employment. The employing dentist must sign the application verifying office experience, employment & a commitment of clinical support. TIME: 6:30-9:30 p.m. LOCATION: College Park DATES: Mar. 7,14,21,28, Apr.4,11,18,25, May 2,9,16,23, 2019 A total of 12 classes.

Proper Pharmacologic Prescribing & Disposal for the Dental Practitioner. (a mandatory MSBDE requirement)

Date: : TBA. This approved course satisfies the new 2 hours of CE in proper prescribing and disposal of prescription drugs. **FE:** SMDS Members \$100. or Non Members \$175. **Location:** College Park Facility.

Infection Control Update. (Relicensure Requirement) Fees: SMDS Member \$100. or Non-Member \$175.

This course meets annual training in infection control for the dentist's relicensure and continuing education for the staff. **DATES: TBA** LOCATION: College Park Facility

Annual Ortho Expanded Functions. Fees: SMDS Member \$715. or Non-Member \$785.

This lecture and demonstration course is **35 hours** long & designed for dental assistants who wish to prepare for the MD State Board Exam . This is given once a year. All clinical practice takes place at the student's place of employment. The employing dentist must sign the application verifying employment & a commitment of clinical support. (10 weeks) DATES: Spring 2019 LOCATION: College Park Facility. TIME : 6:00-9:30 p.m.

NEW! EFFECTIVE FRONT DESK ADMINISTRATION: SMDS Member \$400 or Non-Member \$475.

The in-depth lecture course is designed to provide front desk personnel with basic knowledge and skills of dental office administration. Learn to be more effective with patient communication, collection, records, charting, scheduling etc. DATES: Spring 2019. Call for additional information 301-345-4196.

Fees include: Tuition, textbook, workbook & handouts. At least half the total fee must be paid prior to the class.
5/18

NOTICE TO APPLICANTS – Fluency in English Required

The provisions of this publication are not to be regarded as a contract between the student and Southern Maryland Dental Society (SMDS). The SMDS reserves the right to change any provision or requirement when such action will serve the interests of the SMDS and other applicants. The SMDS further reserves the right to ask a student to withdraw when it considers such action in the best interest of the SMDS. Class size is limited. Fluency in English required.

SMDS is committed to a policy of equal opportunity for all persons to the end that no person, on the grounds of sex, race, age, color, national origin, ancestry, marital status or status as a qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of the SMDS

Ellen Dorner
Director, N/L Transitions

"After a few attempts to sell my practice with other brokers, Ellen and N/L Transitions not only brought in more prospective buyers, but also sold the practice quickly and efficiently. She managed the entire process from the beginning through to settlement

– her performance was stellar"

Stuart Gordon, DDS

SEE WHAT OTHER SELLERS ARE SAYING ABOUT N/L TRANSITIONS- I interviewed multiple brokers for the sale of my dental practice. Ellen Dorner, exceeded my financial and professional expectations and was optimistic and realistic about the entire transition process. She was focused, managed the process well, and achieved an excellent outcome. The final sale was easier and faster than I was led to believe by other brokers. I thank Ellen for making this a reality. **Stanley B. Foxman, DDS – Rockville, MD** For more information, contact Ellen Dorner – 410-616-2042 – or edorner@nltransitions.com.
