## **Radiographic Interpretation with Dental Cone Beam Computed Tomography (CBCT)**

**Course Description:** The format of this course is a short update on CBCT Principles and Radiation Dosimetry followed by a radiographic interpretation session using CBCT viewing software to review various cases of maxillofacial pathology as outlined below.

**Course Syllabus:** The following multidisciplinary cases will be reviewed:

- Implantology
- Endodontics
- Growth & Development
- TMJ Evaluation
- Pathology

**Course learning objectives:** Course attendees should be able to:

- Describe the basic principles of CBCT.
- Discuss the diagnostic capability of CBCT technology.
- More accurately utilize CBCT to recognize maxillofacial abnormalities.

No Exam is required.

I have no conflict of interest to declare.

There are no commercial vendors supporting this course.

### **Biographical Sketch for Jeffery B. Price, DDS, MS, MAGD, FICD, FACD November 2023**

Dr. Price is a Clinical Professor of Oral & Maxillofacial Radiology, Director of Oral & Maxillofacial Radiology and Co-Director of Artificial Intelligence Research at the University of Maryland School of Dentistry in Baltimore, MD and is board certified by the American Board of Oral & Maxillofacial Radiology. In addition, he is a Fellow of the International College of Dentists and a Fellow of the American College of Dentists. He is also an Adjunct Associate Professor of Oral & Maxillofacial Radiology at the UNC School of Dentistry in Chapel Hill, NC. Before entering Oral & Maxillofacial Radiology, Dr. Price practiced general and adult restorative dentistry in Hendersonville, NC for 24 years. While in practice, Dr. Price completed the continuum at the L.D. Pankey Institute in Key Biscayne, FL; in addition, he attained his Mastership in the Academy of General Dentistry as well as Diplomate status in the International Congress of Oral Implantologists as well as his Fellowship in the American Association of Hospital Dentists.

Dr. Price is currently a North American Director for the International Association of Dento-Maxillofacial Radiologists and is Secretary of the Board and Director of Education of the IADMFR. He is on the Editorial Board for the *DMFR Journal*, and he is a reviewer for the *OOOO Journal* and also serves on the AGD Self-Instruction Committee which administers the CE quizzes in the AGD Journal, *General Dentistry*.

Dr. Price has authored or co-authored more than 45 peer-reviewed articles and written 3 book chapters and has taught more than 140 continuing education courses. He has also served on 16 master's degree or PhD degree research committees at the UMSOD.
